SETBACK REQUIREMENTS

1. In residential districts, a fence in the front yard can not exceed three and one-half (3 ½) feet and must be a decorative fence; fence can start ten (10) feet from curb.
2. No chain link fences are allowed in the front yard area.
3. On corner lots, side yard setback is to be the same setback as the front yard; check the plat for appropriate setbacks. (Corner lots have two front yards.)
4. In rear yard, six foot fencing is allowed.
5. Fences must be five feet from the center of a fire hydrant.

NOTE: When your fence is completed, call for a final inspection, which will be conducted as inspectors make their assessments.
