** At this time the Mayor called on Ms. Latoya Pittman, 5897 Matthew Dr, Nicole Place HOA President. Ms. Pittman stated she wanted to address issues and improve the growth in the Nicole Place subdivision. Ms. Pittman stated the youth from her neighborhood, including the Twin Lakes subdivision, have been unruly and vandalizing property in Nicole Place with dirt bike/ATV's speeding and not stopping at the stop signs. Ms. Pittman stated one man with his

child was almost hit by an ATV. Ms. Pittman stated she spoke with Major Lanphere and was directed to have everyone call the Police Department and not try to address the matters on their own. Ms. Pittman had passed on that direction but was concerned with the youth only getting a warning with no repercussions and that the behavior would continue. Ms. Pittman stated the neighborhood is expanding and something more needs to be done other than her addressing the parents and then they get aggressive with her. Ms. Pittman stated a slap on the wrist to the child or parent will not stop the bad behavior without a ticket or citation. Ms. Pittman stated she took out liability insurance to cover injuries/damage in the subdivision and it covered when a man ran through the wall in the common area. Ms. Pittman stated she has other issues with the road torn up and the developer paved the street at the entrance but is not fixing everything going back to the construction. Chief Rowell addressed the concerns of Ms. Pittman and encouraged them to come to City Hall and file an affidavit to be called to court and come before a Judge. Chief Rowell stated that Deputy Chief Brown would love to come speak at the HOA meeting. Alderman Jones stated the developer will fix the roads and build another road/bridge. Alderman Jones stated the dirt bikes/ATV are in other areas also and it is against the law so call the Police. Ms. Pittman asked if she could get a list of common code violations to give to the residents. Chief Rowell agreed to provide this. No action was taken.

** At this time the Mayor called on Alderman Bostick for discussion on the City Firework Ordinance. Alderman Bostick stated the Conditional Use permits that were issued to the vendors stated they must hand out the dates/times the fireworks could be discharged and the flyers were not handed out until Code Enforcement addressed the issue. Mr. Dale Wilson stated they were handed out but when they were not replenished after they ran out. Mr. Wilson stated they would also post signs at each location stating the days/time allowed to discharge fireworks. Alderman Bostick stated he would like to discuss cutting the days/times down to 7 days prior to NYE and July 4th, 6pm-10pm on those days and 6pm – 12:30am on New Year's eve so that the Police Department would know the exact times. Mr. Wilson agreed with changing the restrictions on the use of fireworks but asked that they not change the days fireworks can be sold. Mr. Wilson stated they have been in Horn Lake for 40 years and for 10 years the sold fireworks as a fundraiser for youth uniforms. Mr. Wilson added that they have employed college students paying over 1,000 semesters of college tuition by staff employed for the firework tents since 1970. Mr. Wilson stated they are very invested in the community with these employees and the developments such as Captain D's, KFC, Taco Bell, McDonalds, Harley Davidson, Tractor Supply, 3 Hotels, Wal-Mart, and helped solicit the new McDonalds and Aldi. Mr. Wilson stated the fireworks has been an integral part of the years of development in Horn Lake. Mr. Fred Smith of 6028 Florida Leaf, Olive Branch MS stated this year was very unusual year and they have many more new customers that may not have understood the regulations. Mr. Smith stated they would do a much better job educating all the customers. Mr. Smith stated Juneteenth was also celebrated by many people this year which caused some of the issues. Mr. Smith was hopeful that the days of sales would not be reduced to allow some of these groups to still celebrate Juneteenth. Alderman White stated he would like to see the sale dates backed up to 10 days before July 4th. Alderman White recommended during the day to allow fireworks 10am-10pm and on the July 4th until midnight. Alderman White stated he would like to see that only above 18 years of age could purchase fireworks and discharge fireworks. Alderman White stated he would also like to see a sign posted at each sales location showing discharge days/times. Mr. Smith stated that backing up the sales 10 days will only cause people to drive to another City to purchase the fireworks. Mr. Smith state they wanted to do what best benefited the City. Alderman Jones stated people are not going to stop at midnight and he is good with 12:30am on New Year's Eve into New Year's day. Mr. Wilson would like to meet with his staff and bring back to the Board a comprehensive plan of all the days and restrictions for the Board to review. Alderman Roberts thanked Mr. Wilson in growing the City and bringing the businesses in over the years. Alderman Roberts stated he was for working with Mr. Wilson and his comprehensive plan to keep bringing in sales taxes dollars. Alderman Bledsoe thanked Mr. Wilson for putting a

comprehensive plan for the City. Chief Rowell stated he looked at the reports for the past 3 years and there was little change in the number of calls related to fireworks around NYE, but calls around this past July 4th had increased significantly. Chief Rowell did favor reducing the days that fireworks could be discharged. No action was taken.
