**At this time the Mayor opened the discussion on medical cannabis and whether the Board wanted to opt in and for what portion if any they wanted to address i.e. growing, processing, selling. Alderman Guice stated that the committee had met and discussed the issue and looked at the County's Ordinance and determined that it had most of what was discussed in committee and also addressed some things that the committee had not, and that perhaps we should use the County Ordinance and tweak it instead of starting from scratch. Alderman Young addressed some details such as operating hours, zoning, security, and exterior and interior surveillance. After much discussion it was determined that further discussion was needed, and that any necessary zoning ordinance amendments needed to be adopted before any opt- in vote was taken. The Planning Director was tasked with starting to work on a draft of the zoning ordinance amendments , considering the guidance from the informal committee.

**At this time the Mayor opened the discussion of fireworks within the city limits. Alderman Bostick stated that fireworks had been shot off in his ward every night since the 4th of July and well into the mornings. He stated that this was detrimental to citizens living in his ward, whether it is keeping them awake or affecting their mental health. He further stated that the fireworks are dangerous and have caused fires in Horn Lake in the past and should be banned. Alderman DuPree stated that it sounded like World War III in his ward and several of his neighbors were displaced for several days due to not being able to handle the discharge noises and stated that

something should be done to have more officers on the streets during these times and that citations be issued to offenders.

** At this time, Alderman Bostick moved to ban the discharge of fireworks within the City limits. The motion was seconded by Alderman DuPree.

A roll call vote was taken with the following results:

Ayes: Alderman Bostick and Alderman DuPree.

Nays: Alderman Klein, Alderman Bledsoe, Alderman Guice, Alderman Johnson, and Alderman Young.
